

June 24- June 28	Roots	Learning about our ROOTS in the garden AND in our community. We will be taking a closer look at trees, fungi, and worms through the lens of play, art, cooking and more. AND we will be learning about Lubec's history and how our community takes its place in history!
July 1- July 3	Health Rocks	Let's Be Healthy, and Stay Healthy. From food to games to new ways to keep our minds and growing bodies healthy, we will be feeling our best from head to toe!
July 8- July 12	Let's Go Wild!	Let's learn about the wildlife in Lubec and Maine; how do we track it; how do we protect it and how do we live with it peacefully!
July 15- July 19	What's the BUZZ?	We will be "playing with pollinators" and learning about insects from sand fleas to black flies (oh my!) Where and how do they live, work and communicate- and what can we learn from them to make our lives better.
July 22-July 26	Wings and Things	It's a bird, it's a plane- It's all that and more. This week is about things that fly- sea gulls to eagles, airplanes to rockets.
July 29- August 2	Super Stars	From the Day Sky (Sun and Clouds) to the Night Sky constellations, we will be exploring what is lighting up the world beyond our planet. This week closes with an ALL-STAR celebration for camp kids, families and our community friends.
