

The LCOC Thrift Shop is pleased to offer residents and visitors a place to search for treasure; and we appreciate that so many people in our community want to donate. Proceeds from our Thrift Shop sales contribute to the purchase of non-perishable food for our Food Pantry.

Our budget and space is limited; donations that are broken or are not saleable require disposal and this is costly. Likewise, we have space constraints- and cannot serve as a storage facility.

Effective May 1, 2023

- **Donations will be accepted on Mondays and Tuesdays by appointment only. CALL 207-733-5262 to speak to a member of our staff.**
- Upon arriving, our staff will come out to your car to review your items.
 - o Staff reserves the right to decide what we can/cannot accept
 - o Staff will transport accepted items into our facility
